REPORT OF SCHOOL BOARD.

To the Citizens of Stoddard:—

Another year and its opportunities has passed away. Many of the opportunities in our schools have been neglected. In a great measure this is due to a lack of interest by parents; children are allowed to attend school or not just as they please.

If parents would visit the schools during recitation hours, if only for a few minutes and demonstrate their interest in their children's education, they would help the children to have more interest in their studies and thus have a better attendance.

This non-attendance can be reached through the state truant officer as the law should be enforced.

Some of the board visited several of the parents this year in regard to non-attendance of their children. It helped for a short time, then it was as bad as ever and children were allowed to go hunting or anywhere they pleased.

It was deemed advisable to transport Mr. Whippie's children in District No. 2 as the distance was too great for small children.

The bill for books this year has been increased some nineteen dollars as there were very few books to be found that were suitable to be used. At the Center school a large number of the books would not have been considered by any board of health suitable for children to use.

At the South Stoddard school the books were simply not usable, both from a health point of view and from the fact that

leaves were missing or defaced. More new books are now needed at the Center school and should be provided. Bill for books another year will probably be about the same as this year.

One pupil is attending high school at Keene, Miss Whippie.

One boy of Daniel E. Swett's attended school at Sullivan.

The town of Sullivan charged for this one year $72.00 for tuition for the one scholar. This tuition is exorbitant. The present school board paid the town of Nelson tuition for the daughter of Charles E. Page for the two school years 1910-11 and 1911-12, $20.00, while Keene has charged $40.00 a year for high school tuition.

We would recommend the district raise the sum of $60.00 for high school tuition.

SCHOOL NO. 1—CENTER.

The spring term of 15 weeks was taught by Miss Florence I. Gibson of Rindge, N. H. This was Miss Gibson's second term of teaching in this school. Miss Gibson's instruction was thorough in every respect. Wages of teacher per month including board, $42. Whole number of pupils registered, 27. Average daily attendance, 16.70. Cases of tardiness, 15. Visits by school board, 21; by parents and others, 52. Number not absent or tardy, 3.

The fall term of 14 weeks was taught by Miss Della A. Dutton of Hancock, N. H. This was Miss Dutton's first term of school. Miss Dutton's work as a teacher was good. Her school lacked the co-operation of the children and more especially of the parents. More visits from the parents during recitation hours would assist this school. Wages of teacher per month including board, $42. Whole number of pupils registered, 22. Average daily attendance, 18.11. Cases of tardiness, 28. Visits by school board, 11; by parents and others, 37. Number not absent or tardy, 4.

SCHOOL NO. 3—SOUTH STODDARD.

The spring term of 15 weeks was taught by Miss Florence Schultz. Miss Schultz possesses the ability to become a very successful teacher. The school was satisfactory to parents and school board in every way. Wages of teacher per month including board, $38. Whole number registered, 10. Average daily attendance, 6.47. Cases of tardiness, 5. Visits by school board, 6; by parents and others, 41. Number not absent or tardy, 3.

The fall term of 14 weeks was taught by Miss Florence Schultz. Miss Schultz again demonstrated her ability as a teacher. It was a successful term of school in every respect. Wages of teacher per month including board, $38. Whole number of pupils registered, 14. Average daily attendance, 11.06. Cases of tardiness, 15. Visits by school board, 9; by parents and others, 34. Pupils not absent or tardy, 5.

The following names are found on the roll of honor:

For the year—Mildred C. Schultz, Madeliene E. Schultz.

For one term—John M. Mahan, Harry F. Hale, Harvey E. Cutter, Laurette A. Cutter, Mabel A. Cutter, Bertram W. Ashford, David W. Johnson and Alfred L. Johnson.

Respectfully submitted by the chairman for
